

Return Form

If you are not satisfied with the goods you have ordered, you can do so within 14 days of receipt. Send back the completed return form and invoice to us. If this form is not complete, we will not be able to process your return request. Please note that we do NOT reimburse the return costs and only refund the purchase amount if we have received the ordered products and returned them well.

The product must be in its original condition and with all labels and plates to be returned to be eligible for a refund. The product must not contain any signs of use. We reserve the right not to accept returned items if there is a suspicion that the item has already been used or without our error being damaged.

A return form must be sent with a tracking code and the name of the shipping company so that we can track the return from you. The sender is always responsible for the delivery.
